Dear Mr Summer

I am delighted to inform you that we are able to fulfil your wish as expressed during the contract negotiation and supply the 30 metric tons of coltan earlier than anticipated. One of our major customers went bankrupt and defaulted on its purchase of 150 metric tons of coltan and 100 tons of copper. That has left us with some surplus which we are keen to dispose of as quickly as possible due to our having limited storage capacity.

I am looking forward to receiving the Letter of Credit at your earliest convenience to be able to authorize shipment.

Yours sincerely

Willem Winter
